garden and landscape design

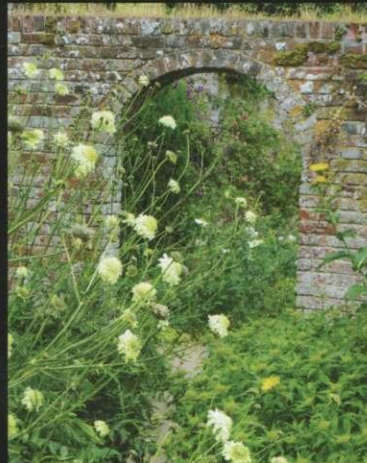

An award-winning landscape and garden design practice established by garden designer Mark Lane, who is also a published gardening and garden design writer, speaker and BBC TV presenter, for BBC Gardeners' World and the RHS Flower Shows.

Mark Lane Designs collaborates closely with architects, designers, artists, sculptors and craftsmen on a wide range of projects, to provide an individual, friendly and professional service offering high-quality, bespoke garden, planting and landscape design.

Through a blend of creativity, planning and attention to detail Mark Lane Designs can take care of your plans and aspirations.
